SECHULE "B". Scope of Work

BACKGROUND

The Central Bank of Swaziland (CBS) has a mission to foster financial sector stability conducive to economic development in Swaziland. The Bank strives to be amongst the top five leading Central Banks in the Eastern and Southern African region based on very strict Values of Performance Driven, Accountability, Integrity and Open Communication in its operations, members of staff and stakeholders.

The Bank plays a central role in achieving financial stability through sound monetary policy and a sound and efficient financial system through regulation and supervision of the financial sector in the country. Research on monetary, financial and economic matters is conducted continuously to support monetary policy formulation. The Bank also carries the sole mandate of issuing and redeeming currency, including holding and managing foreign exchange reserves while also being the bank of the Swazi government. Furthermore, the Bank facilitates the development and operation of an efficient national payment system, and acts as lender of last resort to financial institutions while facilitating the development of domestic financial markets. The Bank also strives to strengthen stakeholder relationships in the country.

The study is aimed at providing the following data under this subject;

- The detailed assessment of the existing office building to determine the habitability fitness status
- A detailed study to determine the extent of rehabilitation works that has to be done to bring the building into an acceptable maintenance state, including associated cost implications involved.
- The cost analysis report to inform or guide the Bank of best economic alternative as to build new office buildings or make some refurbishment to the existing.
- A cost/benefit analysis report to guide the Bank at best economic alternative on the above subject and also cognizance of the remainder of the useful life of the buildings.

Modes of Submission

The Consultants will be required to submit the report in a soft copy, PDF format. They may also be required to make a PowerPoint presentation to the Bank's Executive.
